

KNOW BEFORE YOU GO

WHAT IS AVLFEST EXACTLY AND WHAT SHOULD I EXPECT?

AVLFest is a live music showcase spotlighting Asheville's diverse collective of venues that help make our city a world class destination for artists and music lovers alike.

Your AVLFest weekend pass grants you access to each participating venue as capacities allow.

We understand that some venues will be at capacity throughout various times. In an effort to alleviate potential capacity limitations at some venues, we've intentionally given you ample opportunities to fulfill your sonic exploration!

If standing in line hoping to get in somewhere isn't your thing, we hope this encourages you to take some chances on a band you've never seen or visiting a venue you may not have been to previously.

As part of AVLFest's "Restaurant and Retail Discount Program," you will also be granted discounts and perks at numerous local businesses.

WHERE DO I PICK UP MY FESTIVAL WRISTBAND(S)?

Festival wristbands will be available for pick up at:

Citizen Vinyl (14 O'Henry Ave)
WED & THU 12pm-8pm
FRI & SAT 10am-3pm and 6pm-8pm

New Belgium Brewing (21 Craven St)
TUE 2pm-6pm
WED & THU 12pm-7pm

Locals are encouraged to grab their wristbands on TUE & WED to beat the crowds. Festival wristbands will also be available for in-person purchase at the locations and hours listed above (while supplies last).

WHERE CAN I GRAB FESTIVAL AND BAND MERCHANDISE?

Citizen Vinyl is AVLFest's official merchandise headquarters.

In addition to Citizen Vinyl, AVLFest merch will be available at New Belgium during wristband pickup hours. Artist merch sales will take place immediately following their set at the corresponding venue and during separately scheduled Meet & Greets at Citizen Vinyl. The Artists' Meet and Greet Schedule will be made available as the festival kicks off.

HOW DO I GET AROUND AVLFEST?

Welcome to AVLFest Pass! AVLFest has partnered with **Young Bus Lines** and will be providing 4 luxury coaches running two continuous routes through the weekend to help festival goers safely navigate AVLFest. Key pick up/drop off locations will allow access to the majority of showcase venues while also reducing our impact on local traffic. Biking, carpooling and Ride Share apps are also strongly encouraged.

We hope you have a memorable and fulfilling experience with the bands you already love, while also unearthing some of your new favorites. Thank you for supporting AVLFest in year one!

*AVLFest will be adhering to each individual venues' specific and standard policies. Know before you go.
